**Re: TCA 2015 "Best of the Best" Award Winners**

Dear Scott,

At the Toronto Construction Association's Annual General Meeting held on January 28, 2016 **Walsh Canada** was the recipient of TCA's "Best of the Best" award for **Project Achievement (SMALL)** the project being the **Toronto Pearson International Airport - (SIA) West Infill Slab**.

However, the success of any project includes a unique team - those who are directly "hands on" - those on the front lines - the project's **trade contractors and suppliers/ manufacturers**.

TCA recognizes your significant contributions and in this regard, we are pleased to provide you with the enclosed **Certificate of Excellence** for your work in making the **Toronto Pearson International Airport (SIA) West Infill Slab** project a winner. Congratulations and well done!

Yours very truly,

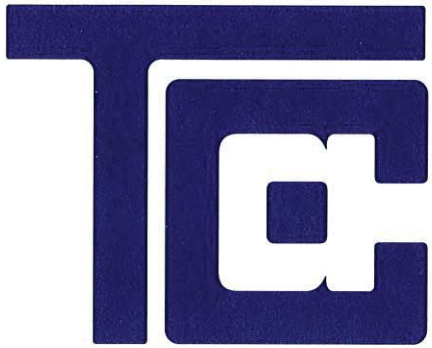

TORONTO CONSTRUCTION ASSOCIATION
